

ASSIGNMENT 19

Name: Rajdeep Das

Roll No: CSB25203

Subject: Advanced Programming

```
Import React, { useState } from "react"
```

```
Import {
```

```
  View,
```

```
  Text,
```

```
  TouchableOpacity,
```

```
  StyleSheet,
```

```
  StatusBar,
```

```
} from "react-native"
```

```
Export default function App() {
```

```
  Const [count, setCount] = useState(0)
```

```
  Const [isDarkMode, setIsDarkMode] = useState(false)
```

```
  Const handleIncrement = () => {
```

```
    setCount(count + 1)
```

```
  }
```

```
  Const handleDecrement = () => {
```

```
If (count > 0) {  
  setCount(count - 1)  
}  
}
```

```
